

MISSOURI HEALTH CARE EXECUTIVE ASSISTANTS

WHAT IS MHCEA?

We are an organization that promotes and enhances the value and professional excellence of its members by providing opportunities for education, networking and recognition through innovation, collaboration and advocating health care.

Our Objectives

- To be the membership association in Missouri for individuals who provide administrative support in all health-related organizations
- To be the premier professional and educational resource inspiring its members to positively impact the delivery of quality health care in the Missouri communities they serve

We Value

- The individual worth of our members by responding to their professional needs and opinions
- The ability to embrace and promote the importance of our members' role in health care leadership and management
- The diversity of our members' talents and expertise
- The relationship between MHCEA and the Missouri Hospital Association and the collaborative partnership between members and MHA staff
- The ability to recognize the need to contribute to the health and well-being of the Missouri communities we serve
- The opportunity to contribute to the success of our members as health care professionals

BENEFITS OF MHCEA MEMBERSHIP

We Offer Our Members

- Opportunities to network and interact with more than 220 colleagues, to gain assistance and advice from others' experiences and to build lasting friendships
- Opportunities to attend educational conferences featuring nationally renowned speakers — 17th Annual MHCEA Conference, April 4-5, 2019, at Camden on the Lake in Lake Ozark
- Opportunities to participate in four to five webinars per year at no charge
- District meetings to meet with colleagues in your area of the state to discuss health care and administrative issues and to build relationships
- Opportunities to gain leadership skills in a peer group setting by serving as an officer or chair of a committee on state and national levels
- Publications to keep informed, including newsletters containing feature stories about fellow members and information important to our careers, as well as updates about the latest in health care industry news
- Access to surveys and reports related to current health care and executive assistant issues
- Optional dual membership with Association of Healthcare Administrative Professionals national organization. Benefits of dual membership with AHCAP include:
 - Certified Health Care Administrative Professional designation through online educational courses
 - Increased networking opportunities on a national level

- Additional opportunities for leadership growth, enabling members to serve on national committees and the AHCAP Advisory Council
- Opportunities to participate in AHCAP webinars at no charge
- Opportunities to share best practices with other members of AHCAP across the nation
- *Notations* (AHCAP-member newsletter) and alerts online
- Increased awareness by being part of a professional organization and enhancing our positions with our executives
- For additional information on AHCAP benefits, please visit their website at *ahcap.org*.
